## **PLAN FOR THE AGITATION**

Dear Presidents, Secretaries and All the Leaders of IMA Punjab,

As you all know, we are preparing for the agitation against the draconian CEA. State Leadership was on the run to meet and sensitise you all for the last 3 days. We are thankful to you for the warm welcome and cooperation, you rendered to us. Seeing this, we are convinced and have geared up to intensify our agitation against the said Act. As I have already sent you the program, you are requested to hold a preparatory meeting of your branch executive, if not already done and make the list of the members who will be going to the MLAs and other contestants of your constituency and ensure you have submitted the memorandum to the political leaders on 14/6/2020 (Sunday). If due to any reason, you could not do it tomorrow, must do it on the following day. While submitting the memorandum, get a small video of the MLA/Leader, asking him to criticise the bill and favour our cause. After this activity, send me this video and photograph clicked at the time of submitting the memorandum. On 16/6/2020, submit the same memorandum to the DC/SDM, whichever office falls in your respective branch and send me the photographs. On 18/6/2020, you will be holding the press conference at your branch level and make sure the news is published in maximum number of newspapers.

While doing all this activity, keep on motivating your members for the shutdown and ensure there is complete shutdown (routine as well as emergency) of all the hospitals and nursing homes falling in your branch. On the day of shutdown, you can make the teams, who can keep watch on the different hospitals. After 23/6/2020, State IMA will hold the State Council meeting, most probably on 28th June 2020 at the venue to be declared later on, to decide the further course of action according to the situation that arises after the above said activity.

Regards.
