Ref. No. IMA/P6./2020/11

Dated: 20/03/2020

To,

**The Chairman,  
Punjab Pollution Control Board,  
Patiala.**

**Sub. : Extension of deadline for installing the ETPs in the Health Care  
Facilities in Punjab State.**

Respected Sir,

As you are well aware of the situation in the country due to Corona crisis, all the owners of Health Care Facilities in the state are mentally and physically occupied in dealing with this disastrous calamity. IMA and its cadres/members are trying hard in full swing to deal with this critical situation and working round the clock to help the Govt. and save the society.

So, in this scenario it is not possible to meet with the deadline i.e 30th June 2020 given by your good office to install the ETPs in HCFs.

IMA Punjab State, therefore, humbly request you to extend the date for installing the ETPs till 31st Dec. 2020 at least, so that we can do our job single mindedly to bring out the society out of this most unfortunate, dangerous and lethal calamity.

Matter was also put before The Principal Secretary Health, Sh. Anurag Aggarwal in the meeting with the delegation of IMA Punjab on Sunday 15th Mar. 2020 who considered it sympathetically knowing that doctors are really entangled in Corona menace.

We are sure you will understand the situation, acknowledge our genuine and valid concern sympathetically and will do us favour by extending the date till 31st Dec. 2020.

With regards.

**Dr. Navjot S. Dahyia**

State President

**Dr. Paramjit Maan**

Hony. State Secy.  
IMA, Punjab.
